Green Creek Bethel United Methodist Church

January 2010

HOW CAN ONE BE WARM ALONE?

In the dark and lonely winter can we find a better place to warm our hearts than in the community of Christian fellowship? Why should we struggle alone. It's time to gather and share the warmth of the Holy Spirit together.

SENIOR LUNCHEON FEATURES MINI HEALTH FAIR

Our winter senior luncheon is scheduled for 12:00 pm on Monday, February 15th. Barbara Dix, from the parish nursing program at Cape Regional Medical Center is coordinating a mini-health fair from 11:00 am –1:00 pm. Free blood pressure and cholesterol screening will be offered. The event, free to seniors, is part of our community outreach program.

District Day of Learning

The District Day of Learning is scheduled for Sunday, February 21st at St. Peters UMC, Ocean City, NJ. Registration material is available in the vestibule. The program features a wide variety of workshops designed to help prepare you to serve and enhance ministry to our church. Everyone is invited to attend.

Young at Heart Gatherings

All are invited to attend our Young at Heart gatherings . The gatherings are another way for us to share in fellowship. Loretta Schellinger will host the next gathering on Saturday, February 20th at 7:00 pm. The March gathering will be held 7 p.m., Saturday, March 14th at the home of Mary Ann and Kent Schellinger.

Earth Day Outreach

The Cape May County Earth Day Celebration will take place at the Cape May County Park and Zoo on Saturday, April 17, 2010. We would like to rent a table and plan a Christian Outreach event similar to our Harvest Festival booth. Along with Bibles and Christian literature we would have some earth day theme give aways; beaded jewelry from recycled paper, WWJD polished stones, home made bird feeders and coloring books. The day begins at 9 a.m. with a 5K Earth Day Run followed by the Earth Day Fair from 10 a.m. to 4

TRUSTEES REPORT

The trustees have been at work repairing a leak beneath the nursery room. We will also need to do some painting and waterproof repairs in the basement from the water damage. Still to come, some finishing touches for the ladies room, replacement of the basement steps. Looming ahead are some projects that are too big to tackle without professional help. Repairs to the steeple and repainting the sanctuary exterior.
